

Quality Assurance Specialist Pre-employment Skill Test

Welcome! You are one step closer to becoming a Quality Assurance Specialist at SpectroCoin. This is a pre-employment skill test. Let's get started!

Firstly, we want to introduce our ecosystem

In the public we are best known as Bankera but under this brand we have several other companies that unites all Bankera ecosystem.

BANKERA

Bankera is a modern bank account alternative for individuals and businesses. Our services for individual users include dedicated European IBAN accounts with support for SEPA transfers and VISA debit payment cards. For businesses, Bankera offers a diverse selection of solutions, including SWIFT and SEPA payments for market players in various industries and geographical locations.

SpectroCoin is an all-in-one solution for cryptocurrencies. It has been serving the needs of blockchain enthusiasts ever since the dawn of cryptocurrencies. Our services include a wide selection of cryptocurrency solutions, ranging from exchange to e-wallets.
